IMPROVE STAFF ENGAGEMENT & RETENTION

Improve job satisfaction and morale by enabling staff to find the information they need to perform their role ensuring more ownership, autonomy and confidence in their abilities.

IMPROVE PRODUCTIVITY

Streamline processes, training and development by centralising information for easy access and instant answers.

IMPROVE GOVERNANCE & COMPLIANCE

Protect your brand by customising approval and publishing processes, moderate forums and audit for compliance purposes.

FAST ON-BOARDING OF STAFF & CUSTOMERS

Reduce training time for staff, and explanation time for customers, by providing guidance and visual workflows on how to approach and complete tasks.

ENHANCE CUSTOMER EXPERIENCE

Deliver consistent, accurate and relevant knowledge to customers across engagement channels.

ENCOURAGE COLLABORATION

Empower staff to assist in keeping knowledge current with in-article ratings, comments and forums to capture knowledge.

MINIMISE ERRORS & MANAGE RISK

Reduce your legal exposure and risk with business procedures, process mapping and guidance that minimises errors, reduces costs and restricts duplication.

What our customers say

11

It was impossible to find what you were looking for on our old knowledge management platform. Now we can easily find answers to our questions using search or the menu structure. I am confident that if the answer is on the new platform, our solicitors can find it. Erik Dober, Senior Solicitor, Office of Public Prosecutions, Victoria

Visit **knoiq.co** to find out more about how we can revolutionise knowledge management in your organisation today
